TESTIMONIALS

Sydney & Devan

"I just want to say " thank you" for everything you and your team did for us and that Sydney's wedding was a huge success!! Everything went so great.. and all because of Lydia!! She was amazing!! I don't know what we would have done without her! She ran her tail off and got soaked when she took it upon herself to make sure we knew what was going on when the party bus got stuck! What a night! She ended up staying later because of all this and she had to have been exhausted!!" -Bride's Mom

"Hiring Dawn til Dusk was one of the best decisions I made while planning our wedding. When I hired Lydia, I was expecting an extra set of hands the day of the wedding. She went above and beyond that. She met with us before, she attended meetings with other vendors, was present for the rehearsal dinner, and brought an assistant the day of the wedding. I didn't have a worry in the world the day of wedding and I couldn't be more thankful for her!! I highly recommend hiring Dawn til Dusk!!"

"Dawn til Dusk was amazing! They helped so much with our day of wedding coordinating. I loved that they had price and time options that fit within our budget.

Lydia helped with our day of coordinating and came for an hour of our rehearsal as well. She was so nice, timely, professional and helped with anything and everything we needed. She had suggestions for us when we weren't sure of anything and she was well prepared.

We had a meeting before the wedding to nail down our timeline and that was so helpful! She was always quick to respond if I had questions. I would 100% recommend Dawn til Dusk for help with your wedding. You won't be disappointed!"
